REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-13 and 15-20 are allowed over the prior art of record because the prior art fails to show a second projected portion on a cartridge's frame that engages with a second positioning portion provided in the main assembly of the image forming apparatus when the developing cartridge is mounted to the main assembly to regulate rotation of the cartridge about the first positioning portion. The second projected portion is urged in a direction of contacting to the second positioning portion when the developing cartridge is set in the main assembly.

This is found in all of claims 1-13 and 15-20, but not disclosed nor suggested by the prior art of record..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susan S. Lee whose telephone number is 571-272-2137. The examiner can normally be reached on Mon. - Fri., 10:30-8:00, Second Monday Off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Art Grimley can be reached on 571-272-2136 or 571-272-2800 (Ext. 52).
